**Sri. Sanjiv Chadha**

Managing Director & Chief Executive Officer,  
Bank of Baroda  
BCC, Mumbai.

*Dear Sir,*

We are a coordination committee comprising of and representing retirees of Bank of Baroda, under our national organization AIBRF, from all cadres i.e from former Top Executives to Messengers. We are the largest body of Retirees of the Bank of Baroda. Our members are the builders of Bank of Baroda, e.Dena Bank and e.Vijaya Bank, having given their best to these institutions, building it brick by brick in the difficult days of the past. Our institution has been served , nourished and was brought to this level on account of the dedicated and disciplined services of these retirees, ably guided by the Heads of these institutions over decades and decades. We, as a combined organization of former employees of the Bank are always committed to the growth and welfare of this great institution.

We congratulate you for all your far sighted plans and programmes to make our institution the topmost in the industry and we as elders of the present generation of employees of the Bank, extend all our support and good wishes to you in your endeavors.

We heartily thank you once again for very generous and positive actions like substantial increase in Medical Subsidy, online booking facility of holiday homes to ex employees, etc. Understanding your attitude in these matters , we look forward for more such gestures towards ex employees of the Bank in the days to come.

In this background, we wish to meet you personally and convey our appreciation to you on the good work you are executing in the Bank and express our wholehearted involvement in areas where we can as ex employees of the Bank.

Our Request is to give SIX OF OUR REPRESENTATIVES an appointment to meet you on a day and time convenient to you. As we have to travel to Mumbai from different places like Kolkotta, Bangalore and Ahmedabad, we request your secretariat to kindly inform us sufficiently in advance about our requested meeting.

Thanking you ,

Truly Yours
